

PRESIDENTIAL TICKET.

For Independent American Bimetallism and People's Government.

For President,

WILLIAM JENNINGS BRYAN,

For Vice-President,

THOMAS WATSON,

of Georgia.

OREGON UNION PRESIDENTIAL ELECTORS, N. L. BUTLER, Polk County, Democratic, M. L. OLMSTED, Baker County, Peoples, HARRY WATKINS, Yamhill Co., Peoples, E. HOFER, Marion Co., Silver Republican.

THE SITUATION.

It is growing more and more favorable to Bryan and free coinage. From present appearances the gold standard proposition will be rejected by an overwhelming vote. On the issue of silver and protection, Teller would have swept the country with millions of votes to spare as against two gold standard candidates. That is just what Bryan will do in November.

At the rate Bryan is carrying the people with him in cities like Philadelphia and New York, he will have a clear field in the race and be elected by the middle of October. He is the peerless champion of the people and the most popular candidate who has ever appeared before them since the first Lincoln campaign. He is the candidate of three parties against two gold standard candidates.

FIRST BRYAN CLUB RALLY.

The first rally of the Salem Bryan club will be held at the Armory Saturday night. The united silver forces should all turn out to hear Chas. P. Strain, "the boy orator of Silver Creek," a student of Willamette, and a young man who is a match for any goldite in Marion county.

The Salem Bryan club has no funds to hire bands and put men in uniforms, or buy fireworks and flambaux. But it has patriotism and loyalty to an American candidate. It has enthusiasm to the core for Wm. Jennings Bryan, the choice of the common people, and the foe of aristocrats and plutocrats.

Wherever Mr. Bryan speaks he creates confidence in himself as a man of sound judgment, and confidence that his cause is something more than a visionary scheme. Prominent Republicans everywhere are growing out of their fear that Bryan and Bimetallism will lead the country to ruin. The expression is heard everywhere that he is not as bad as he has been painted. The expected dynamite explosion by the young candidate is not materializing and his constant exhibition of good sense is everywhere annihilating the false predictions of corrupt political agitators. The reactions has set in, and many a conservative Republican who loves his country more than his party, is proud to be counted a friend of Bryan and national freedom.

And the stars in heaven blushed as they looked down on H. S. Jordan, "President" Morse, Geo. F. Rogers, "Baz." Wagner—"Major" Hodgkin—every man subsisting or hoping to subsist off public pay—they will blow the flambeaux for the uplifting of the workingman! Not one of them ever hardened his hands for a living or ever intends to if McKinley is elected.

Colorado people are petitioning Senator Wolcott, elected as a free silver man, but now a goldbug, to resign. They propose to carry their petitions to the United States senate and supreme court if necessary to make a test case.

The reports from every county in the state indicate increasing strength every day for Bryan and Free Silver. We should make it 20,000 majority.

Anyone who has hogged public pay for 21 years as "Mayor" Hoggkin has, out to wear McKinley buttons all over himself.

All the goldbug clubs in the county will hold a McKinley jubilee at Salem Oct. 17th.

The big woolen mill will resume operations immediately after the election of McKinley—Salem Statesman, September 24.

This is a threat that if McKinley is not elected the Woolen mills will not run. All such talk is un-American rot, to coerce voters to uphold the un-American gold standard that robs the laborer and produces to enrich the bondholder. Put your foot on it November 3d.

The Statesman does not print "Bryan's platform" today. Of course, it will print it again when it has room. But when it does it knows it is a fraud. It dare not print Bryan's financial platform, as it appears in this paper. Why? Because it denounces the gold syndicate policy of the Cleveland administration which the Republican convention had not the courage to denounce but really endorsed. That is WHY.

The Astoria Bryan club have challenged the McKinley club of that place to a joint discussion of the financial question throughout the country. Each club to furnish two speakers, residents of Clatsop county. Each club to pay half the expenses and if either club refuses to complete the discussion at any place named, the party failing to bear the expense of the meeting.

Nothing out prayer meetings will now save the goldite crowd from annihilation. At last, that is what they seem to think. Oct. 8th is set for union meetings to pray for "confidence."

A large list of THE JOURNALS goes to Ballston every day, as well as to many other post offices. Some of the postmasters are not afraid to circulate the only Bryan Associated Press in Oregon.

While Mexico under free silver last year laid by a surplus, Uncle Sam, under the gold standard has sold millions of bonds, and is today subsisting by the Mercy of New York bankers.

The Statesman keeps up its fraudulent "Bryan Platform." Why? It can't do it for love of fair play or to correctly inform its readers. It must be hired to keep the lie standing.

Of course, the gold standard show window at Salem will keep up its \$891,683,806 lie. It will not take it down. It is just as reliable in every other respect.

If you are a silver man it is your duty to enroll your name on the Salem Bryan club. It is now over 600. Let us make it 1000.

The hop yards poll about three to one for Bryan. If the women could vote it would be five to one.

"The Union Veterans Patriotic League!" Just as though they were not always patriotic!

Original Campaign songs at the Armory Saturday night by the Mott brothers.

The Newsboys' "Calamity Howler" of Portland is doing splendid work for Bryan.

Bryan men, show your colors Saturday night at the first rally of the Salem club.

The latest club is the official club of "Flambeau Pre-Eaters."

BARKLEY AND PENNOYER.

Another Bryan Supplement With Two Great Speeches.

Not all could hear Pennoyer and Barkley at the great Bryan ratification at Salem. So THE JOURNAL has printed in supplement form the great speeches made on that occasion by those two gentlemen. They will be supplied from this office at \$1 per 100 or \$7 per 1,000 postpaid. We have still supplements with Bryan's speech of acceptance at New York and Mitchell on the impossibility of International Bimetallism.

POPULAR CONTRIBUTIONS

For the Bryan Literature and Campaign Fund.

The subscriptions are coming in slowly, but as they are purely voluntary they show that there are still men in this hotbed of Republicanism and bread-and-butter officialism who dare contribute to the cause of the people.

The campaign now begun will last six weeks and will result in Oregon casting her vote for Bryan or McKinley. The money will be turned over to the treasurer of the Salem Bryan club.

If you cannot contribute from 10 cents to \$1 a week for the campaign, give a cash contribution. While the McKinley campaign committee can hold up every banker and \$5 to \$500 out of every employee of the state, county and city government, this cause when won will owe the office-seekers and tax-eaters nothing.

Instead of one mine running on the Santiam with 100 men employed, under free coinage, we would have fifty mines running employing 5000 men, and turn out \$100,000 a week in gold and silver bullion for coinage.

Senator Mitchell will receive a warm welcome Monday, from the unorganized, uniformed and largely unemployed laboring men of Salem.

THE JOURNAL still lives, and its pages have not been polluted with a hive of matter supplied by Wall street.
